

Covid Test Tracker

Completing the COVID-19 Testing Registration Form yourself will help save time in the registration process

- To register for your COVID-19 test, [click here](#) and complete the questions
- You will then receive a text with your unique registration number (valid for 90 days and can be used for multiple tests).
- If unable to complete registration yourself, call Great Ocean Road Health Apollo Bay 5237 8500 or Lorne on for assistance 5289 4300.
- You will still need to ring Great Ocean Road Health, Apollo Bay 5237 8500 or Lorne 5289 4300, on the day of your test between 9am & 12pm to book a time (quote registration number if you have completed online registration).
- Once the swab is completed, a further text will be sent from DHHS with information on what to do after being tested.
- Notification of a negative COVID result will also be sent by text (usually within 24 hrs of test being done).

Thank you for your time and patience working with our staff during the pandemic.
