

# Certificate III in Individual Support

Ageing, Home & Community • CHC33015

Learn locally  
Get work ready in 6 months  
National recognised qualifications

## Course Overview

CHC33015 Certificate III in Individual Support has been designed for those who intend to work in Aged Care services (residential care) and Home and Community Care (HACC) who follow an individualised plan to provide person-centred care to people who may require support due to ageing or disability.

This course will train students or formalise existing work skills, to look after an older person's care needs, support their individual health and wellbeing, follow safety procedures for direct care work and work effectively with the elderly. This course will provide the necessary foundations to embark on a care-giving career. This training can be delivered in a traineeship model.

## CERTIFICATION

At the successful completion of this course you will receive a nationally recognised CHC33015 Certificate III in Individual Support under the Australian Qualifications Framework (AQF)

Australian  
Qualifications  
Framework

Note: Elective units may vary depending on individual student requirements.

## DELIVERY METHOD

This course is delivered by a combination of face-to-face teaching workshops, self-study learning materials, and ongoing tutor support and mentoring.

Students are required to undertake workbook activities and self-paced learning (approximately 18 hours per week) and online activities.

**\*This qualification can be delivered through a traineeship model.**

## COURSE DURATION

This course is delivered over a six month period with weekly online or face to face commitment.

Alternate duration and delivery schedules may be available depending on individual student needs. Please discuss your individual needs at the Pre Training Interview.

## WORK PLACEMENT

Our Health Service Provider, in partnership with Alpine Institute, will organise work placement. Students on a traineeship will capture workplace hours as part of on-the-job training plan.

Placement will commence following successful completion of theory assessments of units.

## ASSESSMENT

To achieve qualification, the student will need to:

- Successfully complete compulsory practical training and observation in the workplace of a minimum of 120 hours.
- Successfully complete all assessments including Written Assessments, Case Study, Simulation/Observation, Online Quiz and Oral Assessment.

## ENTRY REQUIREMENTS

Candidates seeking to undertake this course must have:

- National Police Check – on commencement of this course all candidates are required to complete/have a current National Police Check within 36 months.
- Immunisation Evidence - students are required to complete the Alpine Health immunisation status form prior to Enrolment. Current COVID-19 Vaccination is a requirement.
- First Aid Certificate - students must present a current First Aid certificate prior to Enrolment.
- Course applicants must complete a Core Skills Profile for Adults (CSPA) test to ensure the required language, literacy and numeracy levels are met for the course.
- Pre-training interview with education staff required prior to enrolment.

## COURSE FEES

Fees may be paid by the health service in the case of a traineeship. Course fees include:

<b>Subsidised Concession</b> \$314.50	<b>Subsidised Standard</b> \$1172.50	<b>Full Rate</b> \$3772.50
--	---	-------------------------------
